

BOTAO[®]

What do we offer

BUTTONS

Ranging from functionality to pure decoration, each model varying in shape, size, color & material. Tailor made to suit your needs and ready to be applied into your garments.

RIVETS

With an unlimited amount of uses, applicable over any type of fabric. One more reason to keep creating unique clothing designs.

*BOT05/2015

STUDS

A signature stamp of early punk culture, have since extended to all sorts of fashion lines, utilized not only on garments but on shoes and as accessories as well.

EYELETS

Available in different sizes made from aluminum, brass or steel, eyelets can be applied on pants, shoes, curtains, and the list goes on.

Tags & Embroidery

Because a recognizable name and logo is as influential as the product you're selling itself in a customer's decision to purchase. We help you transform your vision into a creative and original image to be displayed along.

And More:

Whether it's purpose is fixation or
decoration, you can count on us
having it.
