

Who Are WE

A Mexican based supplier of both goods and services, with nationwide operations, whose main focus is to turn your company's ideas into a tangible reality.

What do
we offer

BUTTONS

Ranging from functionality to pure decoration, each model varying in shape, size, color & material. Tailor made to suit your needs and ready to be applied into your garments.

RIVETS

With an unlimited amount of uses, applicable over any type of fabric. One more reason to keep creating unique clothing designs.

STUDS

A signature stamp of early punk culture, have since extended to all sorts of fashion lines, utilized not only on garments but on shoes and as accessories as well.

EYELETS

Available in different sizes made from aluminum, brass or steel, eyelets can be applied on pants, shoes, curtains, and the list goes on.

SNAP FASTENERS

METAL PLATES

Metallic elements utilized mainly for decoration purposes, commonly displaying the logo or name of your brand, perfect for shoes, jackets & a favorite within the furniture industry

Tags & Embroidery

Because a recognizable name and logo is as influential as the product you're selling itself in a customer's decision to purchase. We help you transform your vision into a creative and original image to be displayed along.

And More

Whether it's purpose is fixation or
decoration, you can count on us
having it.

THE SPECIALS PRODUCTS

The impact of your company and brand is renewed with our line of special products (zipper puller, plates, medals and even rubber labels), which responds to the needs of the sectors such as automotive, sports, school or the security. Ask your Botao consultant for these designs.

SERVICES

Attaching machinery
and fix dies
